**DEBTORS' SECOND OMNIBUS MOTION PURSUANT
TO 11 U.S.C § 365 TO REJECT CERTAIN EXECUTORY CONTRACTS**

TO THE HONORABLE ROBERT E. GERBER,
UNITED STATES BANKRUPTCY JUDGE:

General Motors Corporation (“GM”) and its affiliated debtors, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”), respectfully represent:

Relief Requested

1. Pursuant to section 365(a) of title 11 of the United States Code (the “**Bankruptcy Code**”) and rules 6006 and 9014 of the Federal Rules of Bankruptcy Procedure

(the “**Bankruptcy Rules**”), the Debtors request authorization to reject certain executory contracts (the “**Executory Contracts**”) effective as Monday, June 29, 2009. A proposed form of order (the “**Order**”) is attached hereto as **Exhibit B**.

2. A list of the affected Executory Contracts is attached hereto as **Exhibit A**. In accordance with Rule 6006(a)(f)(6), the proposed list of Executory Contracts lists parties alphabetically and contains fewer than 100 contracts.

Jurisdiction

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

The Executory Contracts

4. The Debtors are currently undergoing a comprehensive review of their executory contracts to determine which contracts to assume and which to reject. Because the Debtors are in the process of selling substantially all of their assets and winding down their remaining operations, the Debtors no longer require certain executory contracts for their continued operations and will seek to reject those contracts that provide no meaningful value or benefit to the Debtors’ estates. The Debtors have reviewed the Executory Contracts that are the subject of this Motion and have determined, in their sound business judgment, that continuing the Executory Contracts would be costly and would provide no corresponding benefit or utility to the Debtors or their estates.

5. The Executory Contracts the Debtors are seeking to reject in this Motion primarily concern: (i) engineering services contracts for which the work has been completed or is no longer required by the Debtors, (ii) human resources contracts regarding medical services that

are no longer being provided to the Debtors' employees or are no longer required, (iii) utilities contracts and related agreements and settlements for idled or closed manufacturing plants of the Debtors, (iv) purchase and sale agreements with costly remaining obligations that provide no corresponding benefit or value to the Debtors' estates, and (v) contracts relating to GM products and services that have been or will be eliminated as part of the Debtors' wind down process.

6. Consequently, the Executory Contracts are not necessary for the administration of the Debtors' estates and maintaining the Executory Contracts would impose unnecessary costs and burdens on the Debtors' estates. The Debtors have also explored the possibility of marketing the Executory Contracts, but have determined that doing so would provide no meaningful benefit or value to the Debtors' estates. Accordingly, the Debtors submit this Motion to reject the Executory Contracts.

7. In each instance, the Debtors propose that the rejection of the Executory Contracts be effective as of Monday June 29, 2009, the date on which the counterparties to the Executory Contracts will receive notice of the Motion via overnight mail.

**Rejection of the Executory Contracts Is Supported by the
Debtors' Business Judgment and Should Be Approved by the Court**

8. Section 365(a) of the Bankruptcy Code provides, in pertinent part, that a debtor in possession "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." *See also NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 521 (1984); *In re Lavigne*, 114 F.3d 379, 386 (2d Cir. 1997). "[T]he purpose behind allowing the assumption or rejection of executory contracts is to permit the trustee or debtor-in-possession to use valuable property of the estate and to 'renounce title to and abandon burdensome property.'" *Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1098 (2d Cir. 1993), *cert. dismissed*, 511 U.S. 1026 (1994).

9. Courts defer to a debtor's business judgment in rejecting an executory contract or unexpired lease, and upon finding that a debtor has exercised its sound business judgment, approve the rejection under section 365(a) of the Bankruptcy Code. *See Bildisco & Bildisco*, 465 U.S. at 523 (recognizing the "business judgment" standard used to approve rejection of executory contracts and unexpired leases); *Nostas Assocs. v. Costich (In re Klein Sleep Products, Inc.)*, 78 F.3d 18, 25 (2d Cir. 1996) (recognizing the "business judgment" standard used to approve rejection of executory contracts); *In re Minges*, 602 F.2d 38, 42-43 (2d Cir. 1979) (holding that the "business judgment" test is appropriate for determining when an executory contract can be rejected); *In re G Survivor Corp.*, 171 B.R. 755, 757 (Bankr. S.D.N.Y. 1994), *aff'd*, 187 B.R. 111 (S.D.N.Y. 1995) (approving rejection of license by debtor because such rejection satisfied the "business judgment" test); *In re Child World, Inc.*, 142 B.R. 87, 89 (Bankr. S.D.N.Y. 1992) (stating that a debtor may assume or reject an unexpired lease under § 365(a) in the exercise of its "business judgment").

10. The "business judgment" standard is not a strict standard; it requires only a showing that either assumption or rejection of the executory contract or unexpired lease will benefit the debtor's estate. *See In re Helm*, 335 B.R. 528, 538 (Bankr. S.D.N.Y. 1996) ("To meet the business judgment test, the debtor in possession must 'establish that rejection will benefit the estate.'" (citation omitted); *In re Balco Equities Ltd., Inc.*, 323 B.R. 85, 99 (Bankr. S.D.N.Y. 2005) ("In determining whether the debtor has employed reasonable business discretion, the court for the most part must only determine that the rejection will likely benefit the estate.") (quoting *In re G Survivor Corp.*, 171 B.R. 755, 757 (Bankr. S.D.N.Y. 1994), *aff'd*, 187 B.R. 111 (S.D.N.Y. 1995)).

11. As noted above, the Debtors have reviewed the Executory Contracts and have determined that in light of the contemplated sale of substantially all of the Debtors' assets and subsequent wind down, the Executory Contracts are no longer necessary for or beneficial to the Debtors' ongoing business, and create unnecessary and burdensome expenses for the Debtors' estates. In addition, the Debtors have determined that no meaningful value would be realized by the Debtors if the Executory Contracts were assumed and assigned to third parties. Accordingly, the Executory Contracts should be rejected.

Notice

Notice of this Motion has been provided to (i) the Office of the United States Trustee for the Southern District of New York, (ii) the attorneys for the United States Department of the Treasury, (iii) the attorneys for Export Development Canada, (iv) the attorneys for the agent under GM's prepetition secured term loan agreement, (v) the attorneys for the agent under GM's prepetition amended and restated secured revolving credit agreement, (vi) the attorneys for the statutory committee of unsecured creditors appointed in these chapter 11 cases, (vii) the attorneys for the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, (viii) the attorneys for the International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers—Communications Workers of America, (ix) the United States Department of Labor, (x) the attorneys for the National Automobile Dealers Association, (xi) the attorneys for the ad hoc bondholders committee, (xii) the U.S. Attorney's Office, S.D.N.Y., (xiii) the counterparties to the Executory Contracts, and (xiv) all entities that requested notice in these chapter 11 cases under Fed. R. Bankr. P. 2002. The Debtors submit that, in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

WHEREFORE, the Debtors respectfully request that the Court enter an order granting the relief requested herein and such other and further relief as is just and proper.
